

(Mine Name and MSHA ID)

## HEARING CONSERVATION PROGRAM TRAINING RECORD

*This is not an official MSHA training form. This form is being provided to assist the mine operator in documenting "Hearing Conservation Program" training requirements. Part 62 does not specify what form to use for documenting training.*

On \_\_\_\_\_ (date) the listed personnel attended a hearing conservation training class. The subject material contained the following:

1. The effects of noise on hearing;
2. The purpose and value of wearing hearing protectors;
3. The advantages and disadvantages of the hearing protectors to be offered;
4. The various types of hearing protectors offered by the mine operator and the care, fitting, and use of each type;
5. The general requirements of this part;
6. The mine operator's and mine's respective tasks in maintaining noise controls; and
7. The purpose and value of audiometric testing and a summary of the procedures.

Personnel	Job Title
